

# SAFA SYMPOSIUM 2010

Explosion Prevention Focusing on **Safety**

- **Is your process safe?**
- **Do you have a hazardous area?**
- **What is your liability if you kill someone?**
- **Can you afford to stick your head in the ground & ignore the legislation?**

**Did you know how many potential harmful events happen every year in South Africa? Even if you have been running 'safely' for 10 years, it does not mean you are safe!**

**Come to the SAFA Symposium & meet the experts!**

**Hear what defines a hazardous area, how zones are classified and learn about the techniques you can use to make your plant safe.**

**SAFA Gala Dinner: 24th August 2010 - La Toscana, Montecasino, Johannesburg**  
**SAFA Symposium: 25th August 2010 - The Ballroom, Montecasino, Johannesburg**
